From the  
Chairman's Desk

Assalamu Alaikum wa rahmatullah,  
Dear respectable parents/audience! You know very well that the residents of Khilkhet/ Kawlar have been realizing the necessity of standard and dependable educational institution for long time. To fulfill the demand of the residents and lessen the admission problem, We established Lamps Ideal High School 2016. Studying at renowned school of Dhaka city is too much expensive. But the students of our school are getting standard education at affordable fees. This institution has been able to attract the people as an exceptional institution within short time.

This school is making fast progress by dint of hard work, indomitable confidence, courage, devotion to education of the authority as well as qualified management committee and teaching staff. School authority is strongly determined to achieve its objectives and goals.

**Our vision:
